

OXFORD DEMOCRACY CAFÉ

Come to the sixth meeting of the Oxford Democracy Café
Saturday May 11th, 2019
10.00 – 12.00

**The Old Fire Station Studio,
40 George Street, Oxford OX1 2AQ**

The Democracy Café is a regular space for people to come together to discuss issues and ideas about democracy, and how to use them locally and nationally to work towards a better society.

For this Café, taking place around the time of local elections,
our topic is

LOCAL DEMOCRACY

How can this become more participatory?

- *What is happening locally?*
- *How do we engage all sections of the community?*
- *What ideas do we have for the future?*

Let's share ideas, experiences and dreams of working towards a better society. See you at the Democracy Café.

Bring your own coffee / tea from the OFS café downstairs.
